Seven C's Comparison Chart

Answer Key

	Approx. Date	Biblical View	Secular View
Creation	4000 BC	God created the universe in six 24-hour days and rested on the seventh.	The big bang happened 14 billion years ago/man evolved, not created.
Corruption	4000 BC	Adam and Eve brought sin into the world.	People are born blank slates/learn behavior from surroundings/no sin/no accountability to God for our behavior.
Catastrophe	2350 BC	A worldwide Flood/all people and air-breathing animals destroyed/ God spared those on the Ark.	Noah's Flood is a myth or legend or only a local flood.
Confusion	2240 BC	God confused the common language, causing the people to spread out and fill the earth.	Babel is rejected by the world.
Other C's			
Christ	5 BC	Christ is God who came to earth as a man/lived a perfect life/etc.	Jesus was a good teacher, but not God.
Cross	AD 33	Christ's death on the Cross and His Resurrection brought the hope of eternal life.	Jesus might have died on a Cross but not for salvation from sin, and He didn't come back to life.
Consummation	This will happen in the future.	New heaven/New earth/ New Jerusalem/God dwelling with man/no death/etc.	No soul/no eternal life/we just cease to exist/the universe will end by cold or explosion.
