

Who Killed Goliath?

The story of David and Goliath is familiar to many, but few actually know the true account of the events. Answer the following questions without any outside help, and don't change your answers once they are recorded.

1. Who killed Goliath?
2. Who was leading the Israelite army?
3. How old was David during this battle?
4. What was Goliath's challenge to the Israelites?
5. Why didn't David wear any armor?
6. What weapon did David take into battle? Draw a picture of that weapon.
7. What weapon was used to kill Goliath?
8. Who is the hero of this section of Scripture?
9. What is the most important message of this passage of Scripture?
10. What other details do you recall about the passage?
